## POLICY FOR CONFLICT OF INTEREST

Guiding light for framing this policy is SEBI circular no.CIR/MIRSD/5/2013 dated 27/08/2013.The salient points are as under.

- 1) To maintain high standards of integrity in conducting all aspects of business.
- 2) Ensure equal treatment for all clients in terms of service.
- 3) Give priority to client interest over personal interest of directors or employees.
- 4) Ensure complete transparency in dealings while maintaining confidentiality relating to information received from clients by way of their dealings.
- 5) No dealing in securities where we are having possession of price sensitive information, which is not available in public domain.
- 6) Not to have any incentive structure in respect of client trading/dealing.
- 7) Not to contribute in any manipulation of demand and supply of securities in the market.
- 8) To review and assess any development which may result in conflict of interest and take immediate and appropriate action to address the issue.
